BEFORE THE
FEDERAL ENERGY REGULATORY COMMISSION

Ashokan Pumped Storage Project	)	Project No. P-15056
	)	

MOTION TO INTERVENE

Pursuant to Rules 212 and 214 of the Federal Energy Regulatory Commission Rules of Practice and Procedure, 18
C.F.R. § 385.212 and 385.214 (2007), I, name here, file this motion to intervene in this proceeding.

I. COMMUNICATIONS AND SERVICE

All communications, pleadings, and orders with respect to this proceeding should be sent to the following individual:

Marc Wolf
Executive Director
Mountain Top Arboretum
4 Maude Adams Road
PO Box 379
Tannersville, NY 12485
518-589-3903 X4

II. INTEREST OF PETITIONER

I have important information and perspectives to bring to this process, consideration of which will serve the public interest.

The Ashokan Pumped Storage Project will disrupt and negatively impact the ability of Mountain Top Arboretum, a public garden and 501(c)(3) public charity, to serve the public.

III. CONCLUSION

Wherefore, I Marc Wolf, respectfully request that the Commission grant my Motion to Intervene as a party with full rights to participate in all further proceedings.

Respectfully submitted on this 04/07/2021
Marc Wolf
Executive Director
Mountain Top Arboretum
