

UNITED STATES OF AMERICA
BEFORE THE
FEDERAL ENERGY REGULATORY COMMISSION

Premium Energy Holdings, LLC)
Ashokan Pumped Storage Project)

Project No. P-15056-000

MOTION TO INTERVENE

Pursuant to Rules 212 and 214 of the Federal Energy Regulatory Commission Rules of Practice and Procedure, 18 C.F.R. § 385.212 and 385.214 (2007), I, Miles Naughton, file this motion to intervene in this proceeding.

I. COMMUNICATIONS AND SERVICE

All communications, pleadings, and orders with respect to this proceeding should be sent to the following individual:

Miles T. Naughton
126 Moonhaw Road
West Shokan, NY 12494
(845) 802-4114
mtnaughton@hotmail.com

II. INTEREST OF PETITIONER

I have important information and perspectives to bring to this process, consideration of which will serve the public interest.

My residence is located at 126 Moonhaw Road, West Shokan, NY and the proposed Wittenberg site for the Ashokan PSP directly impacts my home.

The proposed sites will have a devastating impact on what is a delicate balance of highly preserved lands, rich wildlife, and diverse watershed communities.

III. CONCLUSION

Wherefore, I Miles Naughton, respectfully request that the Commission grant my Motion to Intervene as a party with full rights to participate in all further proceedings.

Respectfully submitted on this (04/03/2021)

Miless Naughton
