Re: **Docket P-15056-000**

MOTION TO INTERVENE of Kimberly Daley for the Premium Energy Holdings, LLC, Project No. 15056

Dear Secretary Bose,

This correspondence is in direct response to the Federal Energy Regulatory Commission (FERC) proposed **Project No. 15056-000**, Ashokan Pumped Storage Project, submitted by Premium Energy Holdings LLC, Walnut, CA. I, Kimberly Daley, am filing a motion to be an intervener, and I meet the requirements of 18 CFR 385.214 of the Commission's regulations to be granted full party status.

The basis for intervening is due to the proposed location of the project which would mean that I would lose my home, my rental home, and access to my properties. Therefore, I have substantial interest in the matter. I am a full time resident at 223 Moonhaw Rd. West Shokan, NY. I have a rental property where a full time tenant resides at 192 Moonhaw Rd. West Shokan, NY.

I, Kimberly Daley, respectfully requests that the Federal Energy Regulatory Commission grant this motion to intervene.

Respectfully,

Kimberly Daley
