

**UNITED STATES OF AMERICA
BEFORE THE
FEDERAL ENERGY REGULATORY COMMISSION**

Ashokan Pumped Storage Project
Docket Number P-15056

MOTION TO INTERVENE

Pursuant to Rules 212 and 214 of the Federal Energy Regulatory Commission Rules of Practice and Procedure, 18 C.F.R. § 385.212 and 385.214 (2007), I, name here, file this motion to intervene in this proceeding.

I. COMMUNICATIONS AND SERVICE

All communications, pleadings, and orders with respect to this proceeding should be sent to Elliott Peacock at the following address:

Address:

Sarah Loertscher

II. INTEREST OF PETITIONER

My house is in the path of the proposed project's powerline route. This project threatens to force me off my land, and possibly taint my well water. I am also a recreationalist in the forested area that would be impacted by this project and have serious concerns. Lastly, the proposed project violates New York State's constitution.

III. CONCLUSION

I, Sarah Loertscher, respectfully request that the Commission grant my Motion to Intervene as a party with full rights to participate in all further proceedings.
